

Application for Foundation Scholarship (Indigenous)

Applications close Wednesday 2 June 2021

Entry into Year 7 and Years 9 to 11

Caulfield Grammar School is a co-educational day and boarding school with five Campuses – three Melbourne campuses, the Nanjing, China Campus and Yarra Junction Campus. Associated with the Anglican Church, it is well known for the provision of a broad, innovative learning program for girls and boys from Kindergarten to University level. Teaching staff are increasingly specialising in learning areas and are supported by an extensive professional development program.

Caulfield Grammar School is pleased to offer Scholarships to young women and men who would prosper from and contribute to our community. Several of the Scholarships are also specifically for students whose parents' financial means do not currently allow them to send a child to an Independent school. These Scholarships are offered for entry into our School in 2022 for Year 7 and Years 9 to 11 for Day students and in Years 9 to 11 if entering into the Boarding House at Caulfield Campus. The Scholarships apply for the years of a Child's Secondary Schooling.

Foundation scholarships are awarded, utilising needs based criteria, to provide opportunities for those who would otherwise be unable to access a Caulfield Grammar School education. Recipients generally come from backgrounds that are underrepresented at our School.

The current focus of the Foundation Scholarships is on students from Indigenous and refugee backgrounds. While we work closely with Indigenous and refugee communities across Victoria to identify students who would thrive in our School environment and have the strong support of their family, we welcome applications. Foundation Scholarship recipients will demonstrate sound academic ability, achievement in several fields of endeavour, including leadership, and show a desire to contribute to the Caulfield Grammar School community.

Completed application forms, along with NAPLAN results, a copy of the most recent school report, and any additional information to support the application should be scanned and emailed to the Scholarship Office at scholarships@caulfieldgs.vic.edu.au

Following receipt of the applications, the School's Indigenous Ambassador, James Egan, will make contact with the families of applicants.

Interviews will then be conducted with short listed candidates. Financial information will be requested from families at this time. Scholarships will be offered to successful applicants shortly thereafter.

Please note: Under no circumstances can applications be accepted after the closing date.
