

## Wheelers Hill Campus – Middle Years

In the Middle School there is a strong emphasis on holistic educational experiences which develop students socially and emotionally. Our curriculum offering focuses on engaging students with real world issues and through inquiry and problem solving they work together to build solutions which have benefit to society. It is an academically rigorous learning program preparing students for transition into the senior school and the VCE program to follow.

#### LEARNING MENTORS

Each class in Year 7 and 8 is supported by a Learning Mentor. This second qualified teacher works with the student and the subject teacher to ensure the most effective learning is taking place in each class. The Mentor accompanies the students throughout the range of learning experiences across the days and weeks of the year.

#### EDUCATION OUTDOORS

Our unique Yarra Junction campus is where students are challenged in an inspiring natural learning environment. Here they develop practical skills, leadership skills, and life skills - and consider the effect of their actions and lifestyle on the world around them. Year 7 students enjoy a 5 day camp at the Yarra Junction Campus as part of the Education Outdoors program. In Year 8, this program is extended to 11 days at Yarra Junction.

Students in Year 10 are able to include in their course of study a range of VCE Units suited to their interests and abilities. This means that the VCE is spread over 3 years, rather than 2, enabling students to tailor their own individual program for these three critical senior years. It also means that students in Year 10 can sample subjects more widely than they would otherwise be able to.

In addition they are inducted more comprehensively into the study requirements for the critical VCE Unit 3-4 assessment which determines their ATAR score and subsequently their tertiary offer, or direct path into employment.

#### Electives

- Applied Human Movement
- Applied Technologies
