

Our School Motto and Crest

Motto

Our School Motto, *Labora Ut Requiescas*, was chosen by Reverend Joseph Henry Davies, the Founder of Caulfield Grammar School and First Headmaster 1881-1888.

Today the meaning is 'Work hard that you may rest content', which inspires us to persevere in achieving the goals of truth and knowledge represented by the star on the School Badge, surmounting the shield of faith and protection.

Crest

The shield badge shows an open book representing the Bible. Surrounding is the Belt of Knowledge with seven stars representing the seven liberal arts and seven liberal virtues.

The Motto, *Labora Ut Requiescas*, is written inside the shield. Above the shield is a torse, a heraldic twist of cloth or wreath separating and giving prominence to the star.

The seven liberal virtues represent prudence, justice, temperance, courage, faith, hope and charity and the seven liberal arts or sciences of the Trivium and Quadrivium namely grammar, dialectics, rhetoric, arithmetic, music, geometry, and astrology.
